Re: *United States v. Natalie Mayflower Sours Edwards*
19-cr-00064 (GHW), Surrender Date

Dear Judge Woods:

After sentencing Dr. Sours Edwards to a six-month term of incarceration on June 3, 2021, the Court granted my application to permit her to self-surrender. The Court set a surrender date of August 2, 2021. I write to ask the Court to extend the date for Dr. Sours Edwards to surrender so she can obtain necessary medical treatment in the best manner possible.

As reflected on the July 27, 2021, letter from her surgeon, Dr. Evan R. Reiter, regarding Dr. Sours Edwards "reporting to Bureau of Prisons for custody," Dr. Sours Edwards had [REDACTED]

¹This letter is addressed to the Court. It was faxed to me yesterday, July 28, 2021.

Exhibit A. Dr. Edwards has a follow-up visit scheduled with Dr. Reiter on August 31, 2021. I ask that the Court postpone Dr. Edwards' surrender date until after her August 31, 2021, appointment with Dr. Reiter so she can obtain "the required medical care" from him. Exhibit A. Immediately following that appointment, I would again write to the Court and provide further information about Dr. Sours Edwards' healing. I anticipate that a specific surrender date could then be set.

I have consulted with the government about this issue. The government opposes this requests and intends to file a written opposition with the Court.

Respectfully submitted,
